

FC Cartons Limited (the 'Organisation') recognises the importance of environmental protection within the business culture and is committed to operating its business responsibly and in compliance with all environmental regulation, legislation, ISO 14001 and approved codes of practise relevant to the Organisation and the overall impacts of the business activities.

It is the Organisation's objective to operate with, and to maintain good relations with all regulatory bodies, and interested parties.

It is the Organisation's declared policy to carry out all measures reasonably practicable to facilitate the ability to continually enhance environmental performance. We will, where applicable:

1. Maintain a commitment to the protection of the environment, against all pollutants
2. Provide a framework for setting and monitoring environmental objectives and take into account significant environmental objectives.
3. Assess and review the environmental effects of the Organisation's equipment, plant operations and consequences
4. Adhere to all relevant regulations concerning waste and environmental well-being
5. Ensure that all sub-contractors are in line with this policy and they are aware of their respective responsibilities in the environment
6. Train all employees in environmental issues
7. Maintain a waste management programme to maximise recycling of all waste.
8. Minimise material wastage and actively promote the use of recyclable and renewable materials, reduce waste throughout the business.
9. Minimise energy wastage- Reduce energy consumption throughout the business.
10. Reduce and limit the production of pollutants to water, land, wildlife, natural features, air, flora and fauna.
11. Control noise emissions from operations
12. Minimise risk to general public and employees from Organisation operations and activities
13. Calculate on an annual basis the Company's Carbon Footprint, this is offset by our tree planting programme and recycling.
14. Endeavour to maintain Carbon Neutrality

This policy is communicated to all employees, sub-contractors and is made available to the public

FC Cartons objectives relating to this policy can be found in document FCCQF05.

All personnel understand their obligations under this policy statement and abide with the principles of the Environmental Management System, our environmental aspects and the impacts they may have on our environment.

The Organisation constantly monitors and reviews its environmental performance and this Environmental Policy statement in order to ensure its continuing suitability and will implement improvements whenever appropriate and changes to the environment either adverse or beneficial.
